# Pucker Powder®

FROM SANDCRAFTERS Candy Art

**What is Candy Art?** It's a make your own edible creation. Each color is a unique flavor — some sweet, some sour! Layer the different flavors and colors into a clear plastic tube to create an edible masterpiece. This **engaging, hands-on** activity is enjoyed by kids from 4 to 104! It's popular with all school levels – even high school and college!

A 12" tube contains only 14 grams of sugar – less than 1/3 of a bag of Skittles®
